

JOB VACANCY

Forest School Leader

Barcombe, Hamsey and Plumpton Schools

The Skylark Federation are looking for a motivated Forest School Leader to join the Federation. This would be a great opportunity to be part of a popular group of schools that are expanding and we would love to welcome you to our Federation. We have friendly and engaged families, happy children who are keen to do their best and a positive, supportive working and play environment.

The hours are 18 hours a week in term time to be worked over three days. The work would be one day in each of our schools of Barcombe, Hamsey and Plumpton. The hours paid includes time for preparation work. The full-time annual salary is £25,183 and this role would be paid pro rata.

We are, therefore, looking for a candidate who is keen to work outdoors as our new Forest School leader, building on a longstanding Forest School programme at our schools, a role which will include working with all ages in the primary phase to develop a love of the outdoors and to develop children's forestry skills.

This would be an opportunity for the ideal applicant to inspire our children and to develop the provision in the Federation.

Visits are warmly welcomed - please contact our business manager to arrange a visit or to make enquiries on email, ahill@skylarkfed.education

Closing date: Monday 10th February 2025
